Fire Horse Year – Once in 60 Years Divine Opportunity

The Trail of Devotion

Spiritual Significance of 2026 – Fire Horse Year

The year 2026 marks the sacred Fire Horse Year, an event that occurs only once every 60 years. Spiritually, it is believed that one Kailash Yatra performed during the Fire Horse Year is equivalent to 13 Kailash Koras. A single parikrama erases the sins of a lifetime, and a holy dip in Lake Mansarovar grants divine purification.

Mount Kailash is revered as the cosmic axis of the universe and the abode of Lord Shiva and Goddess Shakti. This is not merely a journey — it is a transformation of the soul.
